#### About the conference

Established in 2007, the annual Conference on Classical and Modern Chinese aims to promote the research and development of Chinese language and culture as well as to enhance the exchange of cross-cultural communication in Asia. Besides, the conference organizer is also the co-organizer of many international academic seminars. For example,

- the 12th Taiwan Chinese Language Teaching Conference and International Symposium (第十二屆台灣華語文教學年會暨國際學術研討會)
- the 7th International Conference on Han Characters Education and Research (第七屆漢字與漢字教育國際研討會)

- 2017 International Conference on Chinese Teaching and Research (2017 漢語教學與研究國際研討會; co-organized with the Ho Chi Minh City Normal University, Vietnam)
- the 10th International Conference of Chinese Language Teaching in Asia-Pacific (第十屆亞太地區漢語教學國際研討會)

To further the exchange and discussions on Chinese language and culture, the Applied Chinese Department launched its double-blind, peer-reviewed publication ***Journal of Applied Chinese*** (《應華學報》) in 2006 and is going to publish in-print textbook ***Introduction to Cross-cultural Communication between Chinese and Vietnamese*** (《漢越跨文化交際概論》) with The University of Languages and International Studies (河內國家大學所屬外語大學) in 2019.
